I. Организаци онный момент и целеполага ние	Включение в деловой ритм.  Good morning, boys and girls! I'm glad to see you.  What the date is today?  Today we'll have an unusual lesson. Do you like to play computer games? Has anybody played the game "QUEST"? The main idea of the quest is to find some key-words in the room.  Close your eyes. Imagine you are in the game. Open your eyes. You don't know but smth. Has changed. I'll give a key, try to find this thing in the class: You and our guests use it, but I don't use it now.  Yes, you're right this thing is one of your chair. Try to find it. Look it under your chair. Show it. What is it?  We've got the ticket. What the date of the flight?  The next key: what the odd word "mousepad, computer, blackboard, scanner". Show it. What is it?  The last hint is root, stem, leaves, petals. What is it in common?  Look at this items and say: What are we going to speak about during the lesson?  Ha доске висит лист с тезисами для рефлексии, на которые учитель обращает внимание ребят.  «На сегодняшнем уроке я понял, разобрался»  «Было интересно»	Подготовка класса к работе Good morning, dear teacher! Today is the 1st of February. It's Wednesday.  It's a chair!  It's a ticket.  It's a blackboard.  It's a phone.  It's a flower.  It's a tent.  We are going to talk about summer camp, how to reserve the place at the camp.	3 min.
